Africa captivates with its abundant wildlife, breathtaking landscapes, and the warmth of its people. Time and again our guests describe their safaris as “life-changing”—whether witnessing the Great Migration or the mesmerizing arrival of wildlife with the annual flooding of the Okavango Delta.

For 78 years, we’ve proudly shared the magic of Africa—an experience that remains among the most extraordinary we offer. With never more than 16 guests on our small group journeys, we ensure a high level of attentiveness and exclusive access to intimate luxury camps and lodges beyond the reach of larger groups.

In these pristine settings, which evoke the timeless romance of a classic safari, our guests enjoy exceptional dining and remarkable comfort in the heart of the bush. For those seeking a more personalized journey, we also specialize in Private and Custom Safaris, tailored entirely to your interests and pace.

We look forward to welcoming you and sharing the joy, wonder, and unforgettable beauty of Africa.

Warmly,

Scott Avera
President

A large African elephant is captured in a dynamic pose, splashing water with its trunk. The elephant's trunk is curled, and a large spray of water is being thrown into the air. The elephant's skin is a mottled grey, and its large ears are spread out. The background shows a savanna landscape with green grass, scattered trees, and a clear blue sky. The overall scene conveys a sense of wild, natural beauty.
