A Thoughtful Approach

Our 78th + 79th Seasons

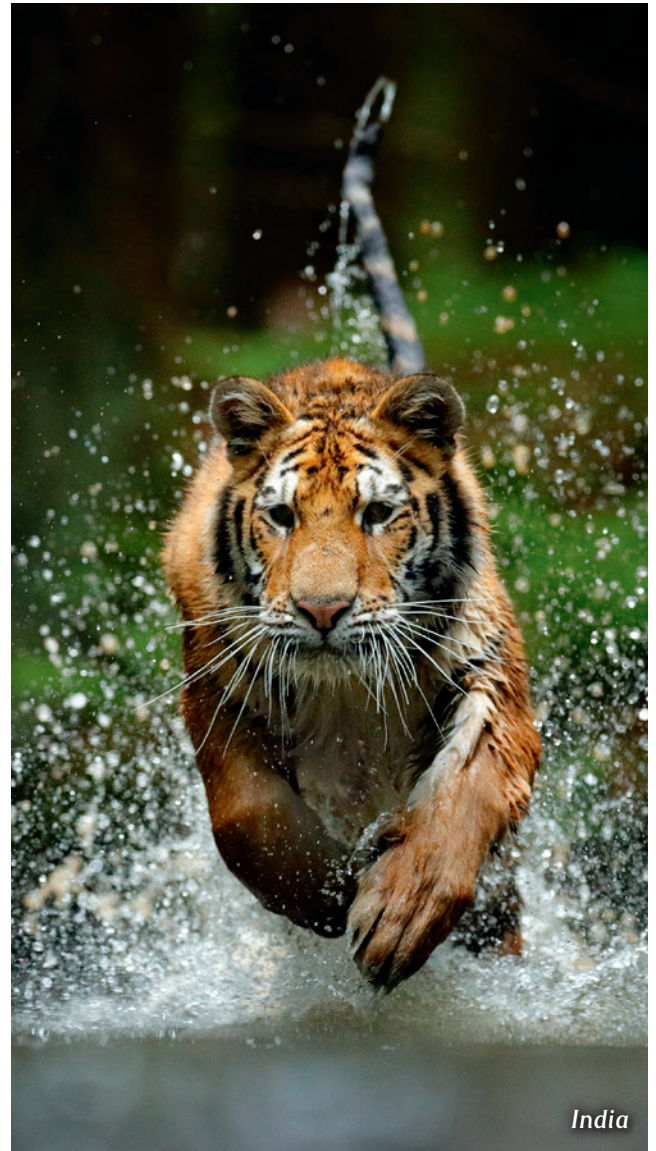

Over the years, we've learned that our small groups and private journeys bring deeper engagement with the societies and communities we visit. With wonderful native-born guides, we provide insider's access to ways of life in Japan, China, Thailand and Vietnam, for example, that otherwise would seem to be culturally distant and inscrutable. In Australia and New Zealand, our guides bring you closer to the beauty and distinctive character of these iconic island countries. All this while providing our guests with an unrivalled level of personal attention.

Sustainable Luxury Journeys

We craft our intimate itineraries to avoid crowds and utilize local transportation and high-speed rail when possible to see and do what other travelers miss. By night, our carefully-chosen well-located, luxury hotels are terrific and notable for their sense of place, security, service and waste management. Fine dining, regionally sourced cuisine, local beverages and even cooking classes enhance our on-tour experience.

From Tibet to the Inland Sea

The scope of our more than 20 plus journeys through Asia captures the ancient heritage of the continent along with all the modern-day advances that make this region so vital to our world. Energetic cities, the timeless countryside of Southeast Asia, India, China and Japan and enduring lifestyles throughout the continent make travel refreshing and enlightening. Our attention to detail on all of our small groups and private journeys along with our extraordinary guides frees your travel from worry and anxiety while it amplifies your enjoyment.

Milford Sound, New Zealand

From the Great Barrier Reef to Milford Sound

The English-speaking outposts of Australia and New Zealand provide an array of geographic and cultural diversity that are hard to match anywhere else in the world. Victorian cities, aboriginal cultures, a vast desert outback, teeming reefs, mountains and fjords fill our journeys with activities as our expert native guides entertain and delight our guests. We carefully weave transitions between memorable experiences across these lands of the South Pacific while our intimate style makes these journeys smooth and carefree.

We are committed to preserving wildlife, health and the well-being of all people, everywhere.
