OUR JOURNEY

DAY 1 | Welcome to Cairo

Upon arrival, you'll be greeted by our Cairo-based team and escorted to the 5-star *Kempinski Nile Hotel*, a stylish city-center hotel that's perfect for our small groups. Settle in to your Nile-view room and enjoy the rest of this day at leisure.

DAY 2 | Extraordinary sites of antiquity

 The ancient world comes to life as you explore today with our expert Egyptologist. Physicists at the University of Amsterdam have put forth a theory on how the Great Pyramids were built. Behold these amazing structures and evaluate their ideas for yourself! Then stand under the gaze of the Sphinx and see the 4,600-year-old Solar Boat of

King Cheops. A camel ride across the desert sands is an experience you'll never forget! Then travel to Memphis to see the colossus of Ramses II and the Alabaster Sphinx, discovered just a century ago. Continue on to Sakkara and visit the country's oldest standing stone structure, the Step Pyramid of King Zoser. Lunch today will be at the landmark *Mena House*. MEALS B+L

DAY 3 | Old Cairo and the Egyptian Museum

 At the Egyptian Museum of Antiquities, your guided visit reveals ancient artifacts that will deepen your appreciation of the sites you'll explore along the Nile. Then ascend to the Citadel for fine views over the city. You'll have time to browse in Old Cairo and its bazaar before returning to our hotel on the banks of the Nile. MEALS B+L

Introducing a new era in Nile cruising... With lavish staterooms and fine dining, life onboard the sleek and modern Oberoi Philae is matched only by the fabled ancient sites you'll explore with our top-notch Egyptologists. We exclusively combine your 4-night cruise with Nile-view rooms at our luxury boutique hotel in Cairo and two full days of expertly-guided sightseeing.

DAY 4 | Welcome Aboard the Oberoi Philae

 Fly to Luxor to board the new *Oberoi Philae*. Settle in to your spacious stateroom and then join your fellow guests for lunch in the elegant dining room, the club-like Lounge or even al fresco. Then step ashore to explore Karnak Temple. With our skilled Egyptologists, you'll stand before its massive pillars and admire the Hypostyle Hall, the largest hall of any temple in the world. Connected to Karnak by the amazing, nearly 2-mile long Avenue of Sphinxes is Luxor Temple, built in the 14th century BCE and embellished with skillful carvings. MEALS B+L+D

DAY 5 | The Valleys of Kings + Queens

Focusing on the West Bank, where 64 ancient Egyptian rulers lie buried, today's touring includes the spectacular Funerary Temple of Queen Hatshepsut. You'll also visit Deir el-Medina, once home to the thousands of laborers and artisans who built the nearby tombs and temples. Standing like guards along the road to the Valley of Kings, you'll also marvel at the Colossi of Memnon, impressive statues of Amenhotep that tower 75 feet above the desert sands. Enjoy afternoon tea onboard and passing vistas of the timeless Nile Valley landscapes. MEALS B+L+D

DAY 6 | Edfu + Kom Ombo

Step ashore in Edfu to visit the Temple of Haroeris; rich in design, intricate in detail and ingenious in its construction, the extraordinary quality of every element attests to the great importance of Haroeris, one of the oldest forms of Horus the falcon-headed Sun God. After lunch and afternoon tea, step ashore to explore the unusual Temple of Kom Ombo, dedicated to both Horus and Sobek, the Crocodile God. MEALS B+L+D

DAY 7 | High Dam + Philae Temple + Nubian Museum

Exploration thus far has focused on the ancient world. But this morning, you'll visit one of the engineering marvels of the modern era. Built in 1972, the High Dam at Aswan spans more than 2 miles and towers 300 feet! You'll also visit the Temple of Philae, set on a lovely island and dedicated to the Goddess Isis. This afternoon at the award-winning Nubian Museum, you'll discover a superbly curated collection of temple, tomb and dwelling artifacts from the Nubian civilization that thrived here along the Upper Nile as far back as 2000 BCE. MEALS B+L+D

DAY 8 | The Temples of Abu Simbel

 Fly to Abu Simbel and tour the Temple of Ramses II. Carved from solid rock, the 67-foot high figures of the King are among the most impressive sites of antiquity. The story of how they were moved 200 feet above their original site to protect them from the Dam's rising waters is itself a remarkable story! Fly to Cairo where you'll enjoy another night in a Nile-view room at the luxurious *Kempinski Nile Hotel*. MEALS B

DAY 9 | Depart Cairo

After a final lavish breakfast, you'll be escorted to the airport for your onward flight. MEALS B
